

Mermaid Teal

Premo! Recipe:

- * 8 Parts Cobalt Blue
- * 4 Parts Green
- * 1 Part Purple
- * 1 Part Gold

Variations:

- * Add 1/2 part additional green for more of a sea green color
- * Add 1/2 part additional purple for more of a teal color
- * Add 1/2 part more Cobalt Blue for more of a deep oceanic blue color
- * Add 1/8 part more Gold for a more metallic sheen without altering the color too much.

Try:

- * Use this in place "Peacock Pearl" next time you want to use it
